KALI
oh my goddess

Hi, I'm Shawna the new intern. Cute Kali shares her name with the Hindu goddess of death and destruction (*yikes*!), but in reality this high school senior is all about life—her *sex* life, that is. I worship her!

How would you describe yourself?
I'm a country girl—even though I'm afraid of bugs! I'm an everyday, random girl. I'm genuine, laid-back and fun to be around.

Are you single?
Yes, I'm single, and I've decided to stop looking. I want my dream guy to look for *me*.

What do you do to seduce a guy?
I like to send sexy text messages, and, if all else fails, I'm not above showing my tits!

Do you like exposing yourself in public?
I like flashing my girls. I've never been butt-ass naked in public.

What's your biggest turn-on?
Playing with my nipples is the biggest turn-on for me. I also like lots of oral foreplay.

Did you like posing nude?
I had a blast! I don't mind being naked. In fact, I'd rather be naked most of the time!

What do you think about when you masturbate?
I think about, like, a giant cock and balls in my face.

Do you like oral sex?
If I am at a party, and I start fooling around with someone, I wouldn't mind them going down on me—at all!

Do you like anal sex?
I *love* anal sex! But it has to be done right. I don't like it all the time, but when I'm ready for it, it's great.

What's the best sex you've ever had?
The first time I had butt sex, it was perfect. I was *soo* relaxed—probably because I had just had a huge orgasm.

What's the kinkiest thing you've ever done in bed?
One time, I was giving this guy a blowjob, and I went down and licked his butthole while jerking him off. He was *so* shocked by it—but he said he loved it.

What one fantasy do you most want to come true?
I've never been with a girl, but I dream about having another girl—maybe two—hold me down and pleasure my whole body. ★

DEAR BARELY LEGAL

PANTY CONTEST WINNERS

Announcing the results of BARELY LEGAL's September 2008 Panty Giveaway contests! We didn't know big, bad bikers could be romantic—D. G. of Missouri totally sweet-talked his way into Ashli Orion's undies. :) And K. L. of North Carolina is the hungriest contestant we've ever heard from. Bon appétit, K. L.!

Ashli,
From the first moment I saw you, I fell head over heels in lust with you! So much that I had to rush out and buy a copy of *BARELY LEGAL #82* so that I could see you in action and hear your sexy, sweet voice.

WOW!!! The guy in the hot tub is the luckiest. What I would have given to have been him. To feel your tight pussy and cute, talented mouth around my hard dick. Just hearing your sweet, innocent moans of pleasure is enough to make me come.

In your article you mentioned maybe getting a boob job. Please don't! Your boobs are oh so perfect just the way they are. I'd be in heaven to be able to fondle, lick and suck on them till your passionate heart was content.

As your newest and greatest fan, you simply have to pick me to send your panties to. First, I'd have to hold them to my face knowing that it's as close to having my face in your pussy as I'll ever get. Second, I'd brag to all my biker friends that *I* won your panties and show them off. Finally, I will frame them with your picture and proudly display them in my Harley room so that I can see them daily and dream of you.

Wishing you all the hottest, sexiest dreams come true.

D. G.

Dear BARELY LEGAL,
I have never done anything like this before, but when I saw Lindsay Kay, my God, what a HOTTIE. I would be willing to crawl to Scotland just to be able to sniff her adorable panties. I can't imagine the rush of being able to hold those hot little panties that were on that hot ass, but I would love to find out.

I have never been to Scotland, but I think if I were lucky enough to win Lindsay's panties, the aromas coming from the crotch and butt areas would tell me everything I need to know about that beautiful place. I rubbed my four-leaf clover for luck before I started this letter. I can't describe my feelings if I were lucky enough to win Lindsay's lovely lingerie.

If awarded these precious panties, I promise to wear them as a hair net when I go to bed and will do so until Lindsay's beautiful scent fades away, and then I will eat them. I will never be able to eat Lindsay—but if I'm lucky, I can eat her panties. While I'm sure they won't be as juicy or sweet as Lindsay, I would be delighted to wolf them down.

If all ladies in Scotland are as hot as Lindsay, I must move there. Lindsay, thanks for the awesome photo-shoot. I will never look on Scotland in the same light ever again, and whenever it's mentioned, I will think of you—and that's a good thing.

Take care, my little Scottish cutie-pie.

Sincerely yours,
K. L.
North Carolina

Dear BARELY LEGAL,
My new BARELY LEGAL teen dream is Shyla Jennings [August 2008]. Shyla, I will and do indeed fantasize about making you the craziest by licking your sweet booty hole!! Her hair, eyes, teeth, mouth, tongue, perky little tits, sweet pussy, sexy demeanor and everything else in the pictorial, along with my strong left hand and wrist, are all I presently need. Thanks a lot, BARELY LEGAL, as she most definitely has my vote already for Teen Queen of the Year!!! That is by an ejaculative, hard-as-rock longshot!

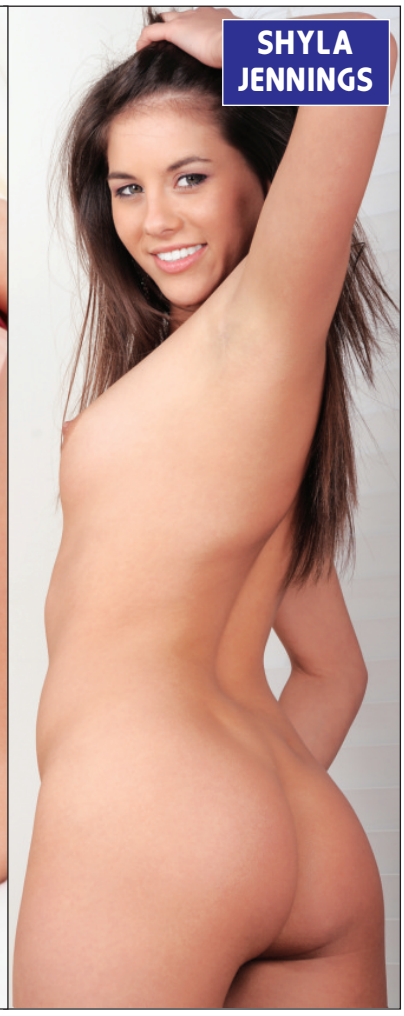
L. N.
Georgia

Dear BARELY LEGAL,
The August 2008 issue? AWESOME! Shyla Jennings has to be the most beautiful girl you have ever had pose for the magazine. Everything about that girl is great—her eyes, smile, body and beautiful pussy. I'm not one to lick a girl's asshole, but for that girl, I would do it just because she's the most beautiful girl I have ever seen. Keep up the good work, and if you could get her to enter your [Panty Giveaway] contest I would absolutely enter to win them.

Religious reader,
Tone D.
Ohio

Tone D., the bad news is, we could not get Shyla to give up her panties for our contest. :(The good news for you and L. N.: We got her to pose for us again! Check out her encore pictorial in our February 2009 issue. I didn't think it was physically possible, but her ass looks even sweeter and tighter than before!

—Lindsey



Hi Lindsey,

You asked what the readers thought was the best thing in the September 2008 issue. My favorite was your page, very hot, but I know you are too modest to have the focus on you. So, my other-than-you favorites are your A-cup ladies—Ashli, Lena, Carly and Sonya. Lena and Sonya were especially hot and really turned me on. Each issue of BARELY LEGAL is so hot, I need pot holders. Thank you for a job well done.

Mark
by Internet

Dear Lindsey,

I got my first copy of BARELY LEGAL in November 2007 and loved every page of it. I'm responding to your question in the September 2008 issue. Well, like you said in one of the earlier issues this year, it's hard to pick one favorite thing. Every one of these ladies is so hot. Like Sonya—her hair, with that body and those eyes—or Monika or Zaley Zane. Then there's Lena Hawkins and that hair and those lips. Those 34A tits just grab your attention.

Oh! Something that I like is seeing you in it. Not only are you the Special Consulting Editor, you also pose for a photo or two. *Love it.* I love your butt, it's so fine. I would like to put my hands on it. Hey! You said before, you were short in the boob department. Wrong. They are fine the way they are.

SO, my answer to your question is, you are my favorite thing in the September issue.

Keep up the great work. Can't wait for next month's copy.

Love,
Shy Shane
Kentucky

Thank you, Shy Shane and Mark! I have to ask you guys an honest question: Does it mean I'm totally conceited if a very, very small, teeny-tiny, mini part of me actually sort of likes it when you say I'm your favorite thing in the issue? 'Cause I can't help it, it makes me feel good!

BUT—of course I always love when readers name all their fave girls. And a bunch of guys sure did like Michelle! (See below.) ***—Lindsey***

Dear Lindsey,

You asked us to write about what we liked most in the September issue. In a word—MICHELLE!! The girl is simply stunning. They can run all the dumb contests they want, but for my money, Michelle *is* Miss USA! Please add this to her pile of fan mail. Also, please have her back again, and do have a panty contest. Can you imagine the response?

I have to compliment the photog, John Emslie. I've seen his work for the last two years or so. As well as the technical excellence of his pictures, they always manage to show the model's most endearing qualities. I do believe the man is a genius.

I look forward to your column and photo every month. Keep up the good work, and please keep BL just the way it is.

Love ya,
Fred
Massachusetts

Dear BARELY LEGAL/ Lindsey,

Hi, I really enjoy looking at the girls in BARELY LEGAL, and the September '08 issue is very special to me, as the cute Michelle from Washington State appears for the second time. Her February 2008 Teen Queen pictorial was GREAT, and this second round is good also. When I compare the two layouts side by side, it is apparent, at least to my prejudiced eyes, that Michelle has matured since the Teen Queen layout. Some of the young innocence that made the Teen Queen pictorial so good has been replaced by knowledge and experience, but the layout is still very good.

I would like to know if Michelle has considered making a movie or two or three with you people. I think they would be very good sellers, and I know I would buy them. Thanks, and keep up the terrific layouts.

J. B.
by Internet

Fred and J. B., I would be so totally psyched if Michelle would be in our panty contest or make a movie for us, but she's mostly just a regular college girl who wanted to be a little naughty, so she posed nude. But I'll pass your comments along. Maybe they'll inspire her to explore her naughty side a little more. ;) ***—Lindsey***

MISCHA BARTON BARELY LEGAL SUPERSIZED BOOB WATCH

Remember that hottie Mischa Barton from *The O.C.*? Yeah, we didn't think so. After her TV show was canceled, she just kinda dropped out of sight. And it's easy to forget someone who *refuses* to ever show her boobs.

Well, now Mischa's back, and guess what? She's throwing her titties all over the place!

Seriously, you guys, it's a nonstop "Boob Watch." Only a couple of years ago, she insisted on wearing pasties in *The OH in Ohio* (2006). Now, in *Closing the Ring* (2008), she's all, "Pasties? What pasties?"

And it's not just movies that are blessed with her boobs. Last year at a benefit, she *sort of* slipped a nip, but it was conveniently disguised by sheer material. This year, leaving a party in France? *Bonjour*, booby! Even on a casual stroll around Manhattan, Mischa's nipples are on awesome display.

We *get* it, Mischa. We'll never forget about you again!

At a benefit in 2007—not really trying

In France in 2008—that's more like it!

TAYLOR SWIFT
YOUNG CELEB FANTASY

We girls here at the magazine all did the right thing when we turned 18—unloaded our virginities as soon as humanly possible! Not country singer Taylor Swift. *She* celebrated by having her first number-one song ("Our Song"). Months went by, and she confessed that she *still* wasn't having sex and hadn't even *kissed* a boy in two years. Now she's about to turn 19, and she's dating Joe Jonas of the Jonas Brothers—who wears a purity ring! Which means he doesn't have sex either!

Taylor Alison Swift, that is *no* way for a barely legal girl to behave—especially not one who's almost six feet tall and totally hot. Obviously, you are in need of guidance from girls wiser than you. So, here it is. You're welcome!

Which young celebrities would *you* like to see? Let us know! Write to BARELY LEGAL Celeb Fantasy, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

DISCLAIMER: Parody picture; no such picture of Taylor Swift actually exists. This composite fantasy picture is altered from the original for our imagination, does not depict reality and is not to be taken seriously for any purpose.

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. Back in our September 2008 issue, I used this column to answer three of the most popular questions that readers ask me personally. Well, you guys seemed to be *so* into that idea, I thought I'd do it again and make it a semi-regular thing! So, here's three more questions I get asked all the time:

What is your best way to come?

Getting my coochie licked! Honestly, I don't know why *every* girl in the magazine doesn't answer that way. Nothing feels more awesome than a tongue in my pussy. And, if the guy (or girl) wants to scooch down and lick my booty hole, too, they can watch me *totally* lose my mind.

How many times a week do you masturbate?

Hmm, let me calculate.... I work at BARELY LEGAL eight hours a day, five days a week...eight times five equals 40...once an hour....that makes—40 times a week! Thank goodness there's a lock on my office door!

What do you think about while you're masturbating?

Well, don't freak out, but mainly I picture *you* guys. I have no idea what you all look and sound like. It really opens up my imagination—and my pussy. ;)

That was fun! I hope you send me lots more questions. And don't forget to tell me what you liked best about the January 2009 issue. I want BARELY LEGAL to start the new year off just the way you guys like it!

xxx Lindsey

MONA

looking for love

Hi, I'm Shawna the new intern. No one at Mona's high school would ever believe she's posing nude in BARELY LEGAL. Everyone thinks this cute, sweet girly girl doesn't have a sexual bone in her body. Boy, are they wrong!

What are your hobbies?
I love to have fun out on the beach or playing video games, and I love to read books.
What kind of guys do you like?
I'm trying to grow out of my bad-boy phase. I just wish I could meet a guy I could completely trust.
What's the best way for a guy to pick you up?
Are you kidding? Guys never pick me up. They always look right past me and go for the popular girls with big boobs.
Are you a virgin?
No. I've fooled around with a couple guys, but after we do it, they stop calling me.
Do you like giving head?
I haven't done it that much, but I've read a ton of sex books, so I know I'd be super good at it.
What's your favorite sexual position?
I've only tried regular, like, missionary and me on top. They're both awesome, but I want to try doggy-style so bad.
What's the naughtiest thing you've ever done?
Last semester, I fooled around with my math teacher every day after school. I told my parents he was giving me private lessons! LOL! Luckily, I scored pretty high on my SATs, so they were like, "We're so proud of you!"
What are your future goals?
I just wish I could fall in love. I've never been in love before, but I hear it's the greatest thing ever.
Did you like posing nude?
Totally. I didn't think I had what it takes to be a model, but it feels great to feel sexy. ★

DANI

head of the class

Hey! It's Lindsey. Dani's a college freshman majoring in communications—and minoring in her own personal physical education!

Tell us about yourself:
Well, I'm a true redhead—I'm *very* passionate, which can be good and bad. The bad? My temper. The good? I will fuck you until you need oxygen.
What are your favorite hobbies?
Besides sex? I love to read. Right now I'm obsessed with the *Twilight* series. Vampires are *so* hot.
But sex is your number-one hobby?
Lindsey, it is *insane* how much sex I have. No one told me college would be this much fun.
Do you ever actually study?
Sure! I just never *sleep*.
What's the wildest thing you've done so far?
Well, the *things* I do aren't the wild part—it's the *quantity*. I mean, I live in a coed dorm. There are always guys around, and they're always, like, half-naked. It's so distracting!
You sound like a dude.
Don't tell me that! If hot guys with tight abs were all strolling past you every day in their boxers, *you'd* be super horned up, too.
So, have you worked your way through every guy in your dorm?
Lindsey! I have *standards*. It's not like I bone a new random guy every night. I only hang with one guy at a time—like for a few days. Or even weeks. Almost like having a boyfriend. *Almost*. I don't want an actual boyfriend.
Ever?
Oh, sure, someday. But right now I'm enjoying my freedom.
What's the best sex you've had at college?
Well, one night I was with this guy in the common room, and we just started fucking right there. It wasn't that late at night, so anybody could have just walked in on us. That made it *so* exciting. That's probably, like, the hardest and wettest I ever came. Now when I see people hanging out on that couch, I think, You don't even know what you're sitting in.

Very nice. Have you done any... experimenting?
You mean with girls? Of course! I mean, I didn't *plan* to before college. I never had those feelings before. But my roommate is super hot and *very* lezzie. She has totally turned me on to the joys of cunnilingus.
Giving or receiving?
Both! Getting my pussy licked makes me come buckets, and licking pussy makes me super wet and ready for anything. It's, like, the best foreplay.
Do you like licking pussy more than sucking cock?
No way! Never. Going down on a girl is a big turn-on, but going down on a guy is, like, rewarding. You know what I mean? Making a guy super hard with my mouth until he's ready to explode and has to fuck me or he'll lose his mind—that's the *best*.
Well, it sure sounds like you're learning a lot in college.
Lindsey, I should be valedictorian! ★

LOUISA LANEWOOD & JESSICA VALENTINO

slutty buddies

Hey! It's Lindsey. You guys, sometimes I seriously wish I was still a model instead of a professional writer and editor. I have been *dying* to munch on Louisa's pussy ever since she posed for our Anniversary 2008 issue (*Get Your Rocks Off*). And I've been dying even longer to lick Jessica's hole (*Nice & Naughty*, January 2008)! *Sigh*.

Oh, well. At least I get to *watch*. And get personal!

Do you like posing nude?
Louisa (in blue): Getting nude for pics doesn't only make me hot, it makes me feel like I've done a good deed.
Jessica (in yellow): Yes, I love to be naked all the time. It makes me happy.
Do you enjoy exposing yourself in public?
Louisa: I'm going through such a public-nudity phase. I consider it an act of civil disobedience.
Jessica: I love it. I'm very comfortable with my body.
Do you masturbate?
Louisa: Yes, twice a day. Usually I just use my fingers because I get too into it to bother looking for toys.
Jessica: I'm glad you bothered looking for a toy to use on me!
Do you like to suck cock?
Louisa: Love it. It's the best way to figure out what a guy likes in bed.
Jessica: I love it, too. It pleases the person I'm with.
Do you like getting your pussy licked?
Louisa: Yes! It's so intimate. It builds up my sensitivity.
Jessica: It's the best thing in the world!
Louisa: You're welcome.
What's your favorite sexual position?
Louisa: Missionary. It's how I come the hardest.
Jessica: Doggy-style. It feels the best.
Do you like anal sex?
Louisa: I've never had it. Maybe one day, when I'm ready....
Jessica: When I'm really horny, I love it.
Where do you like a guy to come?
Louisa: Inside me, all over my ass, tits, wherever!
Jessica: On my belly.
Are you bisexual?
Louisa: I love girls. It took a threesome for me to figure it out! So sensual...*mmm*. Threesomes are awesome, by the way. The ultimate pampering. I highly recommend them!
Jessica: I'm very much into girls. My first time was the best.
Louisa: Oh, I didn't know I was your first time!
Jessica: *Ha-ha*. You *are* pretty hot, though.
Okay. Have you ever had sex in public?
Louisa: I was giving road head on the highway. We got so horny, we had to pull over and fuck on the side of the road.
Jessica: I had sex in a park one time. It was super naughty.
Have you ever fucked a stranger?
Louisa: Only girls. I think of women as sex objects. Sometimes I'm such a chauvinist.
Jessica: I'm just a sex object to you?
Louisa: No, not you. You're totally a person. A very, very sexy person.
Okay, last question: What is your *ultimate* sexy fantasy?
Louisa: To be in an orgy on a vibrating hot-air balloon filled with cushions.
Jessica: I want to fuck a girl with a strap-on while a guy fucks me at the same time.
Louisa: *Ahem*. Did I already give you my number?
Jessica: No! You should totally give it to me!
That's okay, just pretend I'm not here. *Sigh*. ★

The nubile Newaygo, Michigan, native confesses that she is sexually very "rambunctious." She prefers to be on top and says that foreplay is "always important." (We *never* skimp on that, Katrina!) When the A-cup cutie isn't busy boning or exploring her bi side, she likes to take photos and watch people. We *bet* she does—her fave getaway spot is a "nude hippie beach" in Hawaii! TARYN

naughty do-gooder

Hi, I'm Devon the new intern. Taryn is a serious girl who wants to save the world by becoming an environmental lawyer someday. But first she's going to make the most of her senior year in high school!

What are your hobbies?
I like to make pottery and stuff. It helps me relax. I also like to play lacrosse and write in my journal.
Did you like posing nude?
Yes. It's a side of me I don't let too many people see, but it's fun to cut loose every now and then.
What part of your body do you consider your best?
My legs and my smile. I like having a guy with a bushy beard in between my legs—it tickles!
What kind of guys do you like?
Not the guys at my school! They're mostly a bunch of jocks. I'm, like, a big believer in saving the environment, so I'm into guys who care about stuff like that. I hope that's the kind of guy I meet in college this fall.
Are you bisexual?
No, but a lesbian experience is another thing on my to-do list come September!
Do you like giving head?
Well, it's not like I ever go, "Omigod, I need to suck some cock *right now*!" but it can be an amazing thing to share with the right guy.
Do you like receiving cunnilingus?
Yes, please! Guys with beards or tongue piercings automatically go to the bonus round!
Do you like anal sex?
I do. It's more exciting than regular sex, because it's naughty and *so*, so wrong.

How do you like to be fucked?
I'm a sucker for romance—flowers, candles, romantic music and a gentle but experienced lover.
Where do you like a guy to come?
On my tits or my tummy. It was weird the first time a guy did it, but now I'm into it.
How often do you masturbate?
Almost every day. If I go too long without it, I get crabby.
What's your favorite masturbation technique?
I just start touching myself and see where that leads. I don't finger-bang myself so much as rub my clit like there's no tomorrow.
Have you ever had sex in public?
No, but I had sex in my room with the lights on and the window wide open. I'm pretty sure my neighbor saw us!
Have you ever had a threesome?
No, but when I'm having butt sex, I like to put a dildo in my pussy and pretend I'm being fucked by two guys at the same time. I think it would be hot, but I can never get my boyfriends to go for it.
What's the best sex you've ever had?
One of the most exciting times was just a quickie in the bathroom. I walked out of the shower, and he was on me, and it lasted maybe two minutes, but it was intense!
What's your ultimate sexual fantasy?
Sex under a waterfall in a rain forest that I just saved. ★

SUMMER OF LOVE
MY
OR: HOW I LEARNED TO STOP WORRYING AND BECOME A SEXPOT
THE SUPER SECRET SEX DIARY OF CRISTINA COLANTONI
PHOTOGRAPHY BY RED VELVET

Hey, guys! Okay, this is kind of embarrassing to admit, but I was pretty much a dork in high school, and I didn't get that much sexual experience. I mean, there were one or two guys, but it was always awkward and I never knew what I was doing.

I just started college, and so far it's been crazy. I'm really fitting in. No one seems to even suspect my former nerdish leanings. I guess I owe it all to the cool people I met over summer break—when my transformation really began.

So, here's my summer diary. I can't believe I'm showing it to anyone—let alone publishing it in BARELY LEGAL—but if it can give hope to even one lonely geek girl and inspire her to turn her life around, then it's totally worth all the embarrassment.

June 21

It's summer break—a time when most kids are getting ready for a vacation full of fun and friends. But not me. I'm out of here. I've graduated. In just seven weeks, I'll be moving 500 miles away from home to start the next exciting chapter of my life. I guess I should do my best to enjoy the break, but I'm so excited I just can't wait. Besides, there's a ton of stuff I have to do to get ready for college life.

This is my chance to start over. No one there will know me as the girl who peed her pants in the fourth grade or tripped over her own feet during cheerleader tryouts. I could totally reinvent myself as a cool chick that all the guys want to be with.

I don't want to be the only girl there who's only ever done it with her lab partner and her space-camp counselor. Before I go off to college, I need to sleep with as many guys as possible.

June 23

A funny thing happened on Grad Night last night. Jason Green—only the smartest guy in school—came up to me and asked me out! He said he'd been trying to gather the courage all year long. Isn't that sweet? I gave him my number, and he promised to call and ask me out tonight.

I don't know if I can do this. I'm going away to school. I don't have time to get into a relationship. I guess it'll have to be just no-strings-attached sex.

June 24

Jason hasn't called yet! *Arrgh*! Well, it's only been two days. Maybe he's just playing it cool. That's so stupid, but I guess it's the way guys are.

June 25

Jason finally called. He asked me out to coffee. I think I'll surprise him by wearing something slutty.

Later that night….

Wow, that was awesome! I've never given a blowjob on the first date before. I wasn't really expecting to, either. I knew it would have taken Jason another whole year before he made a move, so I accidentally on purpose let my hand fall into his lap. I could feel his bulge through his Dockers. I ran my fingers over his crotch and could feel the tip of his peen.

I got excited when I saw his boner pitching a tent in his pants. I was like, "Are you ready to go?" Thinking he'd want to go out to his car and get in the backseat as much as I did. But he didn't want to get up with a raging boner, so he made me sit there and wait for it to go down. I got bored and starting rubbing my puss through my panties, which only made Jason harder.

Finally, I couldn't take it anymore. I climbed under the table where no one could see me and unzipped Jason's pants. His donger practically jumped out at me. I licked the shaft up and down and Jason's foot started twitching like Thumper in *Bambi*.

I swirled my tongue around the head of his dick and could hear him moaning. People must have thought he was *really* enjoying his coffee. :)

Finally, I put the whole thing in my mouth. I almost choked. His penis is *giant*. But I was able to get most of it down my throat—a personal best! I started sucking faster, and my instinct just kinda took over. I don't even know what I was doing, exactly, but I kinda just went with it. I was going fast and furious when

suddenly Jason shot his whole load into my mouth. I just swallowed without even thinking about it. I could *never* swallow before. At least, not that easily. I guess I'm finally getting good at BJs.

June 28
I've been sucking Jason's cock every day, and I'm starting to get the hang of it. I want to have sex with him so bad, but I'm starting to have second thoughts about my plan. I don't want to, like, fall in love or something, only to have my heart ripped out six weeks from now.

July 1
Jason's gone to Indiana to visit his family for 4th of July and I'm *soo* fucking bored. I promised my friend Carla that I'd go to this pool party tonight with her because she has a crush on some guy who's going to be there.

July 2
I know Jason and I aren't, like, *together* together, but I still feel bad about what happened last night. The good news is, okay, maybe I cheated on him, but I didn't cheat on him with another guy.

Carla has this friend named Kristen who is a little—okay, a *lot*—wild. She started rubbing suntan lotion on my back, and she lingered just a little bit too long. Then she reached around and grabbed my boobs. I was all, "Hey!" Kristen was like, "I'm just kidding. God!" Whatever.

After Carla and her guy started hitting it off, I got bored, so I went into the house. I went upstairs to use the master bathroom for some "me" time. Everyone was outside, so I didn't think to lock the door. I sat on the toilet with my legs spread, my swimsuit around my ankles, and stuck two fingers deep in my puss. I was *just* getting into it, picturing my fingers as Jason's cock, when crazy Kristen bursts in and puts her hand over my mouth!

I thought she was trying to rape me! Turns out, she saw me go upstairs and was trying to warn me that Carla and her guy were headed upstairs to make out. I opened the door just as Carla and her guy walked into the master bedroom. I freaked. There was no way Kristen and I could get out without walking past them.

We hid in the bathroom and watched through a crack in the door as Carla and her guy got horizontal on the bed.

"I'VE NEVER GIVEN A BLOWJOB ON THE FIRST DATE BEFORE."

They started making out like crazy and taking each other's clothes off. I couldn't take my eyes off them—or my hand off my puss. Kristen got turned on, too—but instead of taking care of her own pussy, she stuck her tongue in mine! I almost cried out, but I didn't want to be spotted. Trying to keep quiet was sheer torture as Kristen licked my clit and shoved her fingers into my soaking-wet cooch.

Meanwhile, I was watching Carla climb on top of her guy, her giant, D-cup-size titties bouncing up and down as she grinded on him. The squeaks of the bed and the moans made me hot to the point of actual insanity. That's the only explanation for what I did next: I turned around and tore Kristen's clothes off and dived headfirst between her legs!

I've never eaten a girl out before, but Kristen's pussy tasted *so* sweet—like honey, seriously. We gave each other the most intense orgasms possible. I mean, amazing. I never even knew I was bi!

July 8
Jason is finally back from Indiana, and Kristen and I have planned a little surprise for him. *Hee-hee-hee*.

July 9
Last night was the most amazing night of my life. I asked Jason to meet me at Kristen's house. We hung out playing video games for a while, and then Kristen got up and said she had to go walk her dog.

When Jason and I were alone, I snuggled up next to him and started nibbling on his ear. When I saw that boner rising in his pants, I took a hold of it and starting rubbing it. He was like, "What if Kristen walks in?" and I was like, "Dude, she's walking her dog. We've got like 15 minutes."

But really, Kristen was on the other side of the door peeking in on our sexcapades and waiting for me to get Jason ready.

He whipped out his wiener, and I shoved the whole thing in my mouth. I scarfed it down like an ice cream cone. And it was just as messy, too! Only, the mess was mostly drool! He let out a loud groan, which was my signal to take off my top—without taking his peen out of my mouth—and climb on top of him.

We 69ed like crazy. Aside from feeling awesome, it was actually a total genius move. With a face full of poon,

Jason couldn't see Kristen sneak in and take her clothes off. I sat up so I was sitting on Jason's face. He was like, "No, don't stop!" But he kept burying his tongue in my pussy.

The only thing is I wish I could have seen the look on his face when Kristen suddenly sat on his cock. He made the funniest sound. Kristen started grinding on him right away. I was actually jealous that *she* got to fuck Jason before I did. I mean, hello? I saw him *first*. But I knew I'd get to fuck him soon enough—and Kristen, too!

Kristen and I made out and played with each other's tits while Jason was fucking her and eating me out at the same time. I thought my senses were going to explode! I was so wet I was soaking the sheets. Poor Jason was probably drowning in pussy juice!

It was time for me to get some peen. I scooted my butt down and kicked Kristen off of my guy. I positioned my puss directly over Jason's twitching wiener and slowly impaled myself on it. His cock was really fat. If I wasn't so wet, I don't think it would have fit in my pussy. I mean, I'm very tight. But I was so ready, it slid in like butter.

After I got over the pure awesome sensation of finally going all the way with Jason, I realized that I was, like, totally facing away from Jason and Kristen. I could tell from the sounds they were making that Kristen had taken over my spot on his face, but I couldn't see what was going on. I felt kind of left out.

Then I felt a finger go up my butt. I totally spazzed out. At first, I thought it was Jason's finger, but then I realized it was Kristen's! That girl is kinky! She played with my butt while Jason kept fucking my pussy.

Just when I was getting into the butt stuff, Kristen suddenly stopped. How rude! I heard her get up and open a drawer. The next thing I knew, there was a second dick going inside me. Only this one was plastic! And it vibrated! As soon as Kristen put it in my butt and turned it on, I squirted all over the place. I swear to God! I started wiggling around and screaming at the top of my lungs. That thing is *evil*—that, or the greatest invention ever!

But a vibrator—no matter how awesome—can't compare to the real thing. I'd never had butt sex before, but considering how crazy the night had gotten, I figured I might as well go for it. No sense in chickening out now!

I got up off of Jason's cock and got down on all fours. I spread my butt cheeks apart and was like, "Jason, come here." He didn't even blink. He pushed his mushroom tip into my butthole, and I squealed. But once his dickhead was all the way in, the rest was easy. I had heard from Susan Jenkins that butt sex was supposed to hurt, but it totally didn't. Of course, Jason took it slow at first. But once we got into it, he was tearing my ass up!

Kristen lay down on the floor in front of me and spread her legs. I ate her pussy, but it didn't taste like honey this time—it tasted like sex! Am I weird for finding that even more of a turn-on? God, I'm so glad no one's ever gonna read this! [*Ed. note: Oops!*]

When it was all over, we all collapsed in a heap. I was a little PO'ed this morning when I woke up to find Kristen giving Jason a blowjob, but as soon as she saw I was awake, she was nice enough to let me join in.

I don't know. It's weird. I like both Jason and Kristen, and I know Kristen likes me more than Jason—I think she's kind of gay—and Jason, despite coming on Kristen instead of me last night, is into me more than her. But I don't want to get my feelings too mixed up in all this. I mean, it's only sex.

July 16

I guess I'm dating both Jason and Kristen. We've only had one more threesome—at least so far—but I've been sleeping with both of them. It's kind of weird having a relationship with a girl, but it's a lot of fun, too. I never knew I'd like eating pussy so much!

July 23

Kristen cheated on me! With a guy! I guess I'm not jealous. I mean, if she wants a guy, she can have a guy. But how come she didn't ask me to share him? I even let her fuck Jason before I did! What a b-i-t-c-h.

"I SPREAD MY BUTT CHEEKS
APART AND WAS LIKE,
'JASON, COME HERE.'"

August 5
I asked Kristen to come to my going-away party. I mean, we've been through so much together this summer, I want to say goodbye.

August 8
Last night, Jason, Kristen and I had our third and final threeway. Kristen gave me the orgasm of a lifetime. God, I'm going to miss her tongue! She also gave me an awesome going-away present—my very own vibrator! It's even the same kind as Kristen's, so I know how to use it.

Jason was bummed to have to say goodbye. He was like, "I'm going from two girls to none! But you'll always be the one." *Aww*! I gave him a blowjob he'll never forget.

I can't believe it's over, but I guess I have to look forward to the future. College, here I come! The important thing is it won't be Cristina Colantoni, wallflower, arriving on campus, but Cristina Colantoni, sex goddess. Plus, it's not like I'll never see Jason and Kristen again. There's always Christmas and spring break!

So, there you go, guys—the most intense summer of my life. My roommate was impressed when I told her about it. Of course, she also spread it all over the school, so now everyone in college thinks I'm a nympho—not that that's a bad thing. When guys think you're a nympho, you get invited to way better parties and meet tons more interesting people.

Anyway, I'll always be grateful to Jason and Kristen for giving me confidence. I feel like I can walk into any room and compete with any girl, no matter how hot—because there's no one wilder than little ol' me. :) ★

EDEN PETTY

Hey, it's Lindsey. This month's Queen is a teensy bit past teen, but seriously, how could we *not* give her this honor? She's so gorgeous, she could totally be a supermodel!

"Omigosh, thanks, Lindsey!" says Eden. "But I couldn't *really*. I'm way too short. Anyway, I'd rather pose naked. Posing in designer clothes doesn't turn me on like this does!"

Describe yourself, please: I love to have fun, but I have a serious side, too. I love to be around people. Some of my friends say I always want to be the center of attention. I tell them it's not true, but secretly I know it is!

Favorite hobby: When I'm not working, I'm at the beach. Always. I love the sand and the sun and the smell of the ocean.

Pet peeve: When girls are criticized for being sexual. It's like, if the girl makes the first move, she's called "desperate." It's so unfair! Sometimes I get horny!

Biggest turn-on: Getting my picture taken.

Biggest turn-off: Fake people.

Most romantic moment ever: This one time when my boyfriend—now *ex*-boyfriend—was going to be away for a few weeks, he gave me a hickey on my butt cheek. You know, like, marking his territory. I thought that was *so* sweet.

Fave masturbation method: Rubbing my pussy with my fingers. It feels more natural than using a vibrator.

Hot spot: My nipples. They're always hard. Everybody knows it, too, 'cause I never wear a bra.

To bi or not to bi: *Mmm*—I think girls are hot, but I'm a little too boy-crazy to do anything about it.
Fave sex position: I love to get on top and give the guy I'm with a break. I mean, guys always have to work so hard! With me they can just kick back, and I'll ride 'em like crazy.
Fave sexual activity: Having sex on the beach! The tricky part is finding a spot where no one can see you. Although, I think part of me likes the idea of getting caught.
Ultimate goal: To keep modeling while it's still fun and then, when it stops being fun, go to college to study business administration. So basically, I'll start college when I'm 45! :) ★

SIERRA SNOW

too hot

photography by dave naz

Hi, I'm Devon the new intern. Southern belle Sierra Snow is a high school grad who's putting college on hold while she pursues her dream of becoming a porn star.

How would you describe yourself?
I'm a good girl. I don't lie. I don't cheat. I don't drink alcohol or smoke or do drugs. Okay, I love to have sex, but what's wrong with that?
What kind of guys do you like?
I like hot guys who are sweet. I'm into all types of guys. I try not to label people.
Are you bisexual?
I just had my first lesbian experience, and it was *amazing*. But I heart guys.
Do you like giving head?
It's my fave. I can't take it very deep, but I'm good at getting guys off.
Do you spit or swallow?
I swallow when I have to, but I like it better when guys come on my face.
Do you like anal sex?
I haven't tried it, but a lot of times I like to put my finger in my butt during sex. It feels awesome. So I'm sure a penis would be even more awesome.
What's your favorite sexual position?
I like what they call reverse cowgirl—where the girl's on top, but facing away from the guy. It hits me in just the right spot.
How do you like to be fucked?
I like it a little rough. I can handle it. I like to get wild sometimes.
What's the wildest thing you've ever done?
Probably when I had sex with two guys at the same time. I even let one of them lick my butthole!
What's your ultimate sexual fantasy?
To be a huge porn star who gets paid tons of money to have sex all day with hot guys.
Did you like posing nude?
Yes. It was a dream come true to be an actual, for-real model. I can't wait to get a copy of the magazine so I can show everyone! ★

"I'm good
at getting
guys off."

Hi, I'm Shawna the new intern. Kaylee is a ballerina who was more than happy to show us her moves—in the nude, of course! The key word here is *bendable*.

How would you describe yourself?
I'm just your average girl. I love to laugh. I'm goofy, fun-loving, hardworking, honest and loyal.
Did you like posing nude?
Yes. I'm a dancer, so I'm very in tune with my body. I'm not embarrassed. I think a woman's body is a beautiful thing.
What kind of dancing do you do?
Ballet is my passion, but I also like just regular dancing—I *love* to shake my booty.
What part of your body do you consider your best?
Well, all that dancing has given me a pretty nice butt.
Do you enjoy exposing yourself in public?
Running around naked can be super exciting, but it's not something I do all the time.
Do you wear panties?
Only to bed or when I'm wearing a short skirt—and sometimes not even then!
How did you lose your virginity?
My parents left me home alone for a week, and I knew I had to do *something* bad, so I invited my crush over to spend the night.
How often do you masturbate?
Not as often as I'd like. It's frustrating because my room's right next to my parents' room—and the walls are super thin. I can only do it in the shower. My dad's always yelling at me for wasting water. He thinks I'm a clean freak! LOL.
What's your favorite method?
We have a detachable showerhead with different speeds. It's awesome.
Do you like giving head?
I love it. It's the most fun you can have without having sex.
Do you like receiving cunnilingus?
I'm more of a giver, but I'll always let a guy go down on me for a few minutes.
How do you like to be fucked?
Slow and deep. I like to savor the experience.
Do you like anal sex?
I love it in the butt! Guys tell me I have a cute butthole—which I think is weird but flattering.
What's your favorite sexual position?
I'm very bendy, so I like to try unusual things—like stand on one leg or put my legs behind my head. But my all-time fave is the regular guy-on-top thing.
What kind of guys do you like?
Tall—but not too tall—and sweet. They don't have to have a six-pack, but I like guys who take care of themselves. Stamina is important if we're going to do it all night long.
What's the best way for a guy to pick you up?
I'm a sucker for compliments. I like guys with a good sense of humor. If you can make me laugh, I'm all yours.
What's your ultimate sexual fantasy?
I wash up naked on a desert island surrounded by the Jonas Brothers—and I've hidden their promise rings inside my cooch! ★

"Stamina is important
if we're going to
do it all night long."

At first I thought that the moaning was coming from me or maybe from somewhere outside but...
Then I realized that it came from Alina's room. Shit! Was she having the baby?!?
I pulled up my jams and went to take a look...
AAAAHHHHH!!!
OOOOHHHH!!!
The door was slightly open so I peeked in thinking that I might have to call for an ambulance.
What I saw surprised the shit out of me...
There she was, sucking on those giant milk juggs of hers but, that wasn't what caused the moaning...
It was the fact that she kept stuffing her pussy with a large two way dildo!
MUAHHYESS!!!
Shit! From my angle it looked like it was a part of her!

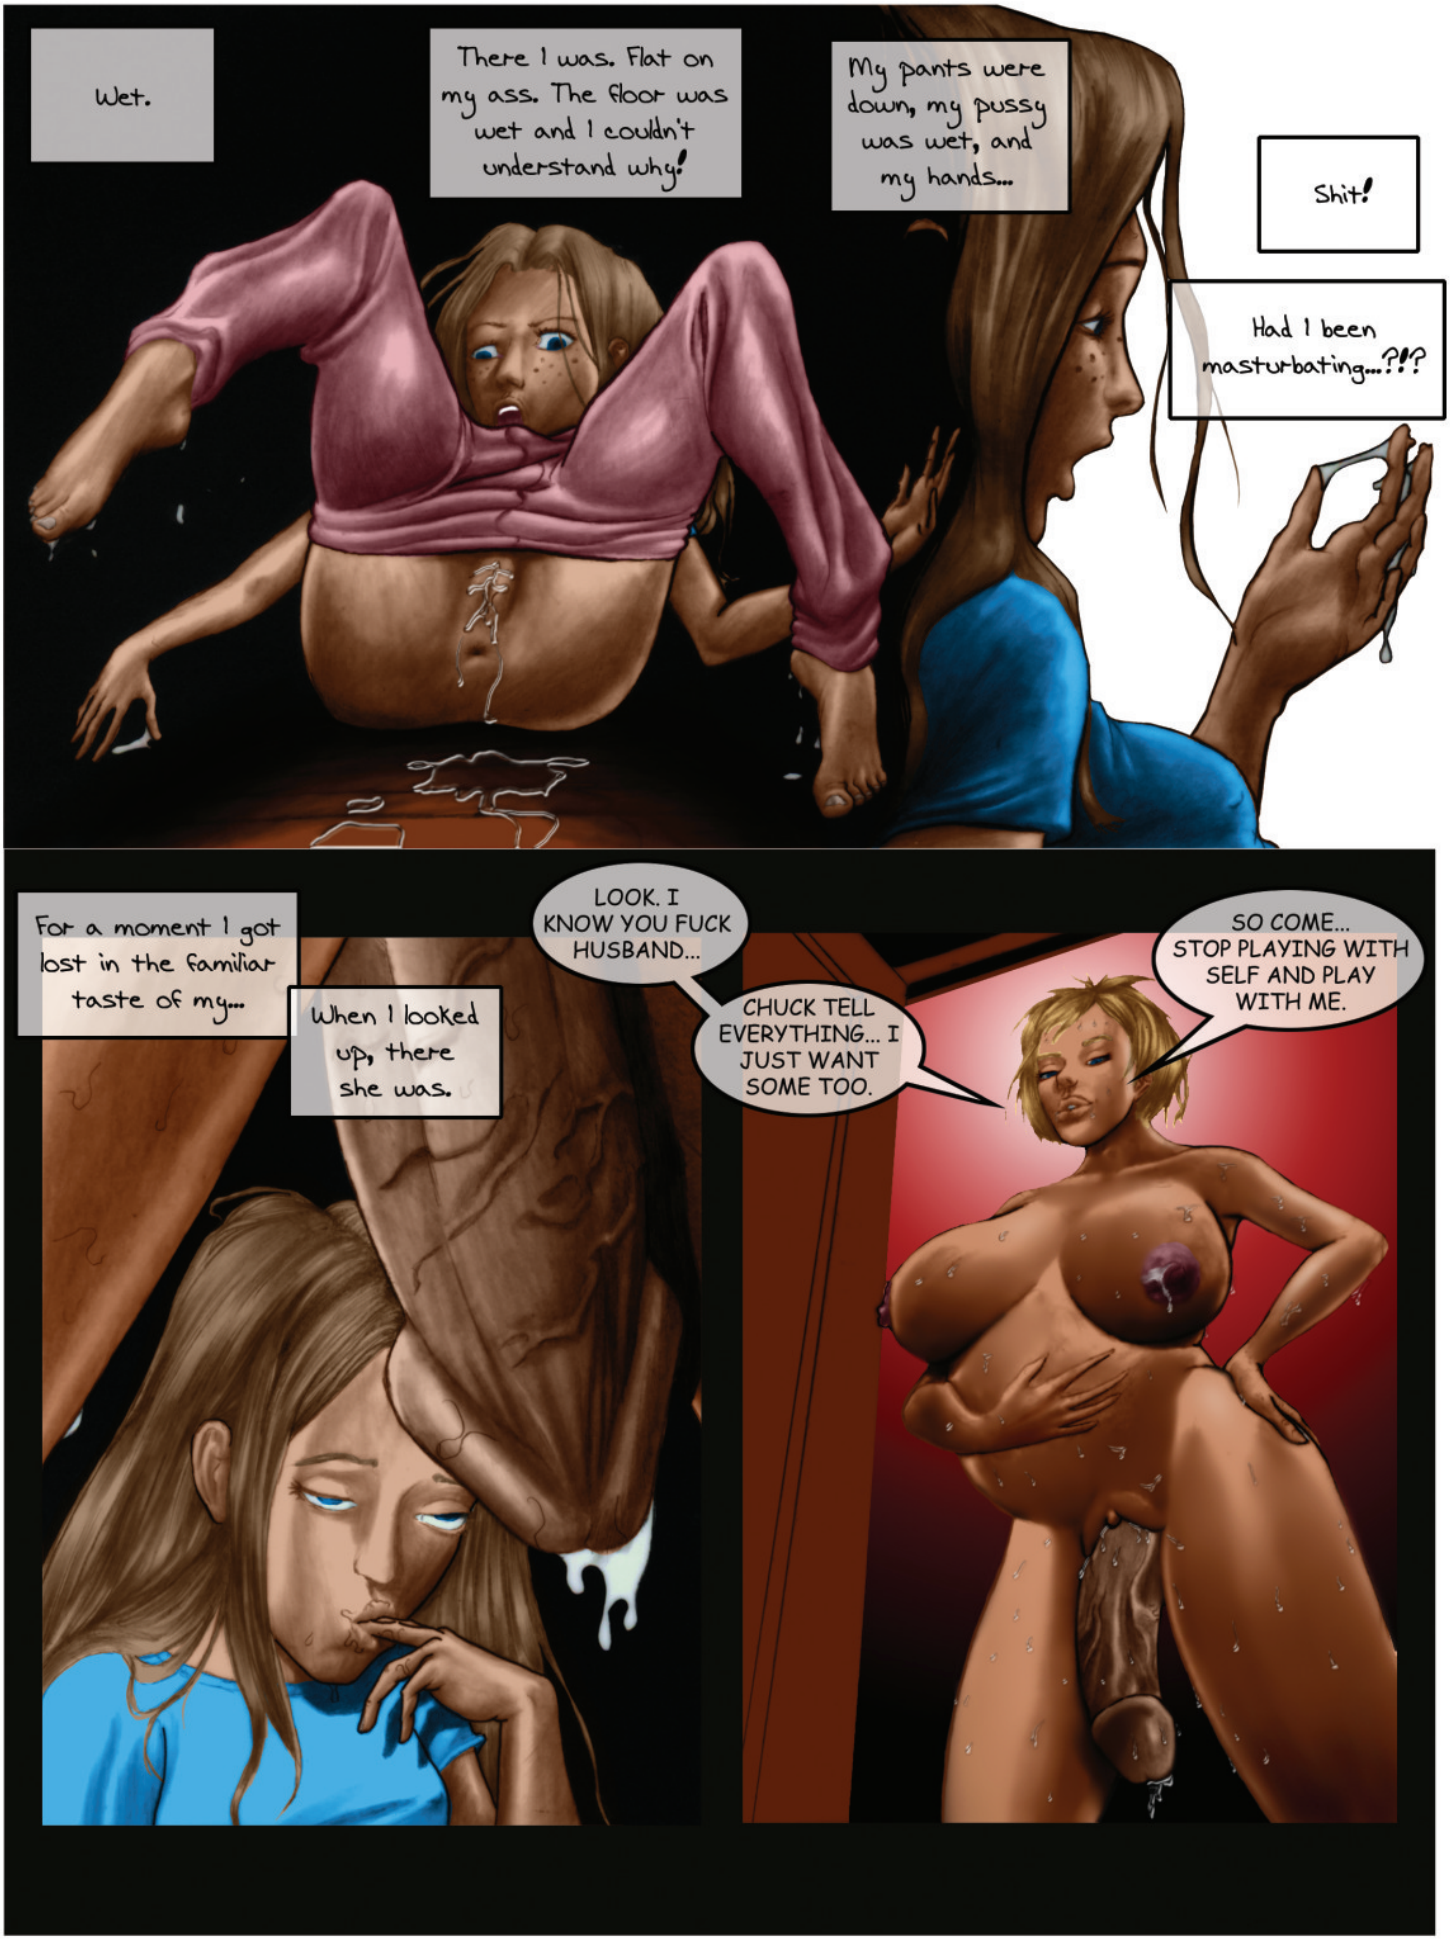
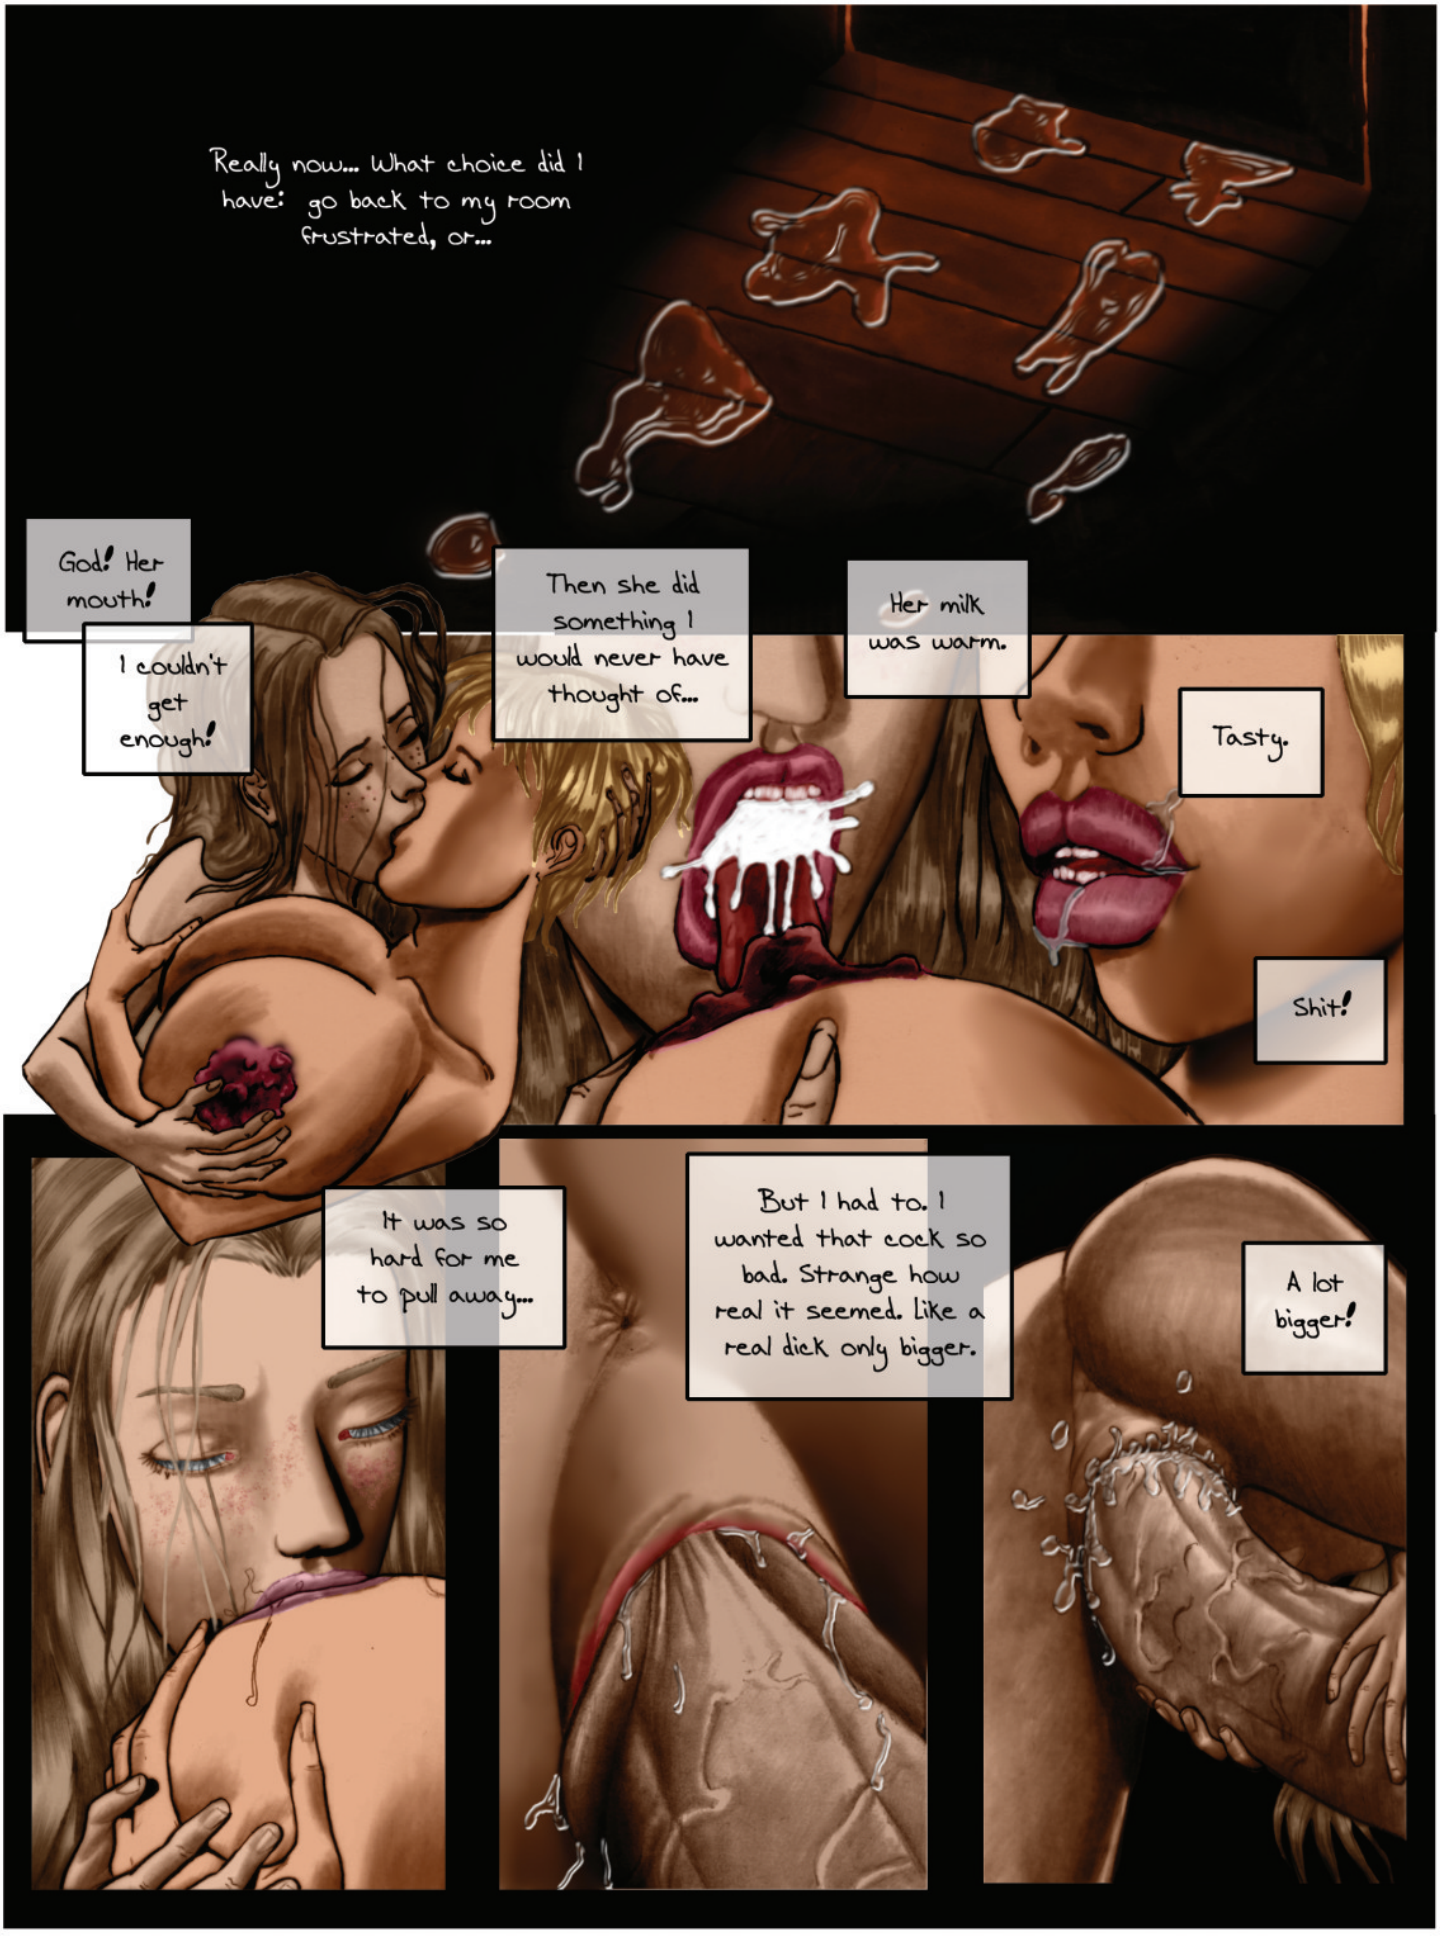
Finally, after literally fucking herself silly for another ten minutes or so, she came...
one
final
time
Falling back onto her stack of pillows exhausted.
Suddenly...
H-HEY THERE HHNN! HHNN! LITTLE ONE. CAN YOU HELP ME? I TIRED OF CUMING ALONE...
How did she know I was there?!? Shit! That freaked me out.
Now if Erica was in my place she'd practically jump at that sideways invitation but, me?
Little old Molly Fredrickson?
I tried to run.
Only to slip and fall on something...



Wet.
There I was. Flat on my ass. The floor was wet and I couldn't understand why!
My pants were down, my pussy was wet, and my hands...
Shit!
Had I been masturbating...?!?
For a moment I got lost in the familiar taste of my...
When I looked up, there she was.
LOOK. I KNOW YOU FUCK HUSBAND...
CHUCK TELL EVERYTHING... I JUST WANT SOME TOO.
SO COME... STOP PLAYING WITH SELF AND PLAY WITH ME.



Really now... What choice did I have: go back to my room frustrated, or...
God! Her mouth!
I couldn't get enough!
Then she did something I would never have thought of...
Her milk was warm.
Tasty.
Shit!
It was so hard for me to pull away...
But I had to. I wanted that cock so bad. Strange how real it seemed. Like a real dick only bigger.
A lot bigger!

Fuck! That shit was big! I don't know how I got it to fit but...
AWW! FUCK!
YOU LIKE DON'T YOU!?! HUNH! HUNH! YOU LITTLE BITCH! HUNH! HUNH! GIVE ME ANSWER!!
YESS!! AAWW!! AHN! AHN! GOD YES!
JUST LIKE YOU HUNH! HUNH! FUCK HUSBAND?!?
YE-YESS!!
H-HE TELL HOW GOOD HUNH! HUNH! IT FELT TO SQUEEZE DICK INSIDE LITTLE BODY OF YOURS!
HE SAY HUNH! HUNH! HE FILL YOU UP WITH SO MUCH CUM THAT IT STILL DRIP DOWN HUNH! HUNH! YOU LEG NEXT DAY! HOW YOU BEG FOR MORE...! WELL, BEG HUNH! HUNH! FOR THIS!!!
YES!! AHN! AHN! I WANT IT! DE-DEEP INSIDE ME! AHN! AHN!
FUCK AHN! AHN! ME TOO!!
FUCK ME!!
NO! YOU HUNH! HUNH! FUCK ME!!
Shit! I came so much that I think I blacked out a little bit... Next thing I knew we we're lying in bed holding each other. The smell of pussy and sweat was everywhere as our bodies cooled and sleep was about to take us...
That's when Erica crept into my head a little. I guess I'm becoming more and more like her... Can't sleep without getting some dick inside me... Even if it's a fake one.
And to think!
My weekend at the Wilson's was just beginning...
Just beginning.

GINA LOPEZ

make me a star!

Hi, I'm Devon the new intern. High school grad Gina Lopez is pretty new to the whole sex thing—she says she's never done anything slutty—but she totally wants to be a porn star!

Did you like posing nude?
Yes, it's sorta a power trip. It makes me feel super sexy.

What part of your body do you consider your best?
My feet, because they're cute!

What kind of guys do you like?
Tall, white, thin, nice eyes and a nice smile.

Are you bisexual?
Yes, I love girls. I like girls who are shorter than me, petite, with a nice face.

Do you like giving head?
I love it! It turns me on. I'll probably blow a guy three or four times during sex.

Do you spit or swallow?
I can't swallow! I gag every time. It sucks, 'cause I consider myself a good cocksucker.

What's your special blowjob technique?
I like to use my hands and sort of twist them around a guy's cock while I'm sucking.

Do you like receiving cunnilingus?
Huh?!?

You know, when a guy goes down on you?
Oh, *uh*, it's okay. I like it better when girls do it, for some reason.

Do you like anal sex?
I've tried it three or four times. It's not my fave, but if the guy's totally into it, I don't mind. I'll make him happy.

What's your favorite sexual position?
Doggy. I don't know why, but guys fuck harder that way.
Is that how you like to be fucked?
Not always. It depends on my mood. Sometimes slow and soft is nice.
Where do you like a guy to come?
I like the butt money shot. It turns me on when a guy comes a lot.
Have you ever had sex in public?
Yes, in a parking lot. We were in the backseat of a car, so I don't know if anyone saw anything, but people were walking by.
What's the best sex you've ever had?
Hmm.... Sometimes I have sex just for the fun of it. I would definitely love to be a porn star. But the best sex is with someone you love.
What's your ultimate sexual fantasy?
I don't really have one. I don't fantasize that much. But I've been with boys, I've been with girls—I've just never been with both at the same time. That would be totally hot. ★

BARELY LEGAL

BOX OFFICE

WE GIRLS AT BARELY LEGAL THINK THE BEST PERSON TO JUDGE THE REALNESS AND HOTNESS OF A LEGAL-TEEN VIDEO IS A REAL, HOT LEGAL TEEN. HERE TO REVIEW THE LATEST RELEASES IS THIS MONTH'S GUEST CRITIC, DANI.

All hands on Brooke.

BARELY LEGAL BABY FAT

★★★★

HUSTLER Video. Directed by Juan Casas; starring Emma Cummings, Brooke Scott, Jersey Cummings, Alexa Jordan, Tahlia Jordan, Rachel Solari, Van Damage, Derrick Pierce, Lee Stone and Jay Lassiter.

BARELY LEGAL Baby Fat proves that you don't have to be super skinny to be cute and sexy. I personally like girls with a little meat on their bones, and all of the lovely ladies in this movie are a high-calorie feast for the eyes. But what really blew me away was how steamy everything is. There's lots of kissing and touching and sensual oral—not like your usual porno. Emma Cummings kicks things off by sitting on her guy and swirling her juicy butt around. There were some cool camera angles that really captured the action. Jersey Cummings (no relation to Emma) is my personal fave on this disc. The cute redhead has nice curves and a giddy personality. She's hungry for cock, and the standing 69—where Lee Stone holds her upside down—is awesome. Alexa Jordan and Tahlia Jordan—I hope *they're* not related—have one of the sexiest lesbian bonks ever, where they ram each other with big dildos. Tahlia's tits are so huge, I think this scene technically counts as a fourway! You don't have to be a chubby chaser to get behind the awesome girls in *BARELY LEGAL Baby Fat.*

HUSTLER'S REAL COLLEGE GIRLS #16

HUSTLER Video. Directed by Andre Madness; starring Lexi Belle, Tristan Kingsley, Randi Wright, Fayth Deluca, Alexa Jordan, Jay Lassiter, Brad Hardy, Seth Dickens, Steven St. Croix and Tony De Sergio.

I have something to confess—I have the hugest crush on Lexi Belle. The blond cutie has the most amazing bubble butt I've ever seen. And I love her little Southern accent. I pretty much jump on anything she's in, and *HUSTLER's Real College Girls #16* is my fave Lexi Belle movie so far. What makes it great is the fact that it's super long—way over 2½ hours—which gives us plenty of time to get to know each girl before the action starts. Lexi's scene alone is like a whole mini-movie. Watching her strip got me almost as hot as watching her get banged from behind. Petite brunette Tristan Kingsley is also the hotness. I loved staring into her big, brown eyes as she gave a killer BJ, and she has a nice booty, too. At 25, Fayth Deluca looks more like a MILF than a coed, but the curvy blonde adds a little sumthin' sumthin' in the T&A department. Honestly? It took me several tries to make it all the way through *HUSTLER's Real College Girls #16*. I mean, there's only so much hot sex you can take in one sitting!

Alexa drinks every drop.

Tristan cracks a smile.

You can't burst Lexi's bubble.

Lexi makes an ass out of herself.

Steven's gotta have Fayth.

ANGEL

heavenly head

photography by sexkicks

Hi, I'm Shawna the new intern. Angel is a sweet, shy high school girl who does her homework, almost never parties and would probably skate through her senior year unnoticed—if her giant boobs didn't attract so much attention!

What kind of guys do you like?
Smart, funny guys with goals in life. Looks don't matter that much.
What's the best way for a guy to pick you up?
Be funny, be yourself—and make eye contact! If a guy knows what color my eyes are, I'm *soo* giving him a blowjob!
Are you bisexual?
Yes and no. I love me some girl time, but I wouldn't, like, *date* a girl.
Do you like giving head?
Yes. I take great pride in being able to please a guy.
Do you spit or swallow?
Swallow. I love the way it feels when a guy comes down my throat, so I just let it happen.
What's your special blowjob technique?
I can deep-throat!
Do you like receiving cunnilingus?
Omigod, yes times a million! One of the things I love most about giving BJs is, guys can be super appreciative. I love it when they return the favor!
Do you like anal sex?
Uh, I'll have to get back to you on that. I haven't tried it yet. But one of my girlfriends swears it's the best thing ever, so I'm curious.
What's your favorite sexual position?
Me on top. I love to get a guy on his back—so I can jump his bones!
How do you like to be fucked?
I like to go all night long—which means you gotta pace yourself. Slow and steady wins the race!
Where do you like a guy to come?
In my mouth or on my tits. Lucky for me, that's where guys like to come, too! LOL! ----->

Have you ever had sex in public?
I tried to have sex on the beach once, but once I realized we weren't alone, I couldn't go through with it. I got too nervous.

What's the best sex you've ever had?
The one time I had sex on the first date. We had an awesome night, and I went back to his place. We started fooling around at about midnight, and I didn't get to sleep until seven a.m. I was *soo* busted the next day, but it was so worth it!

What's the naughtiest thing you've ever done?
I skipped school once for a nooner with the same guy. Luckily, he came much quicker that time!

What's your ultimate sexual fantasy?
I'm an 18th-century chambermaid wearing one of those corset thingies, and a handsome prince has his way with me.

Did you like posing nude?
Yes. It was exciting to be all, like, here I am, world—drink it in! LOL! ★
